Subject : **Increase in Student Fees with effect from 1st November, 2025.**

I wish to inform all students that, due to a significant rise in academic and operational costs arising from the current economic environment, the College Council has revised the student fee structure. With effect from 1st November 2025, student fees have been adjusted upwards by **25%**.

This adjustment is necessary to enable the College to continue delivering high-quality teaching, learning, research, and essential support services.
